REFRAIN: Jehovah & Jesus, perfect Father & Son,
 Jehovah & Jesus, the only source of life
 for everything & everyone.

1. Jehovah created his Son to be like him
 with power & majesty -- life on Earth without sin.
 Jesus humbly took upon himself even our grave;
 part of the sacrificial gift he & his Father gave.

[REPEAT REFRAIN AFTER EACH VERSE]

2. Jehovah, as the Ancient of Days, first begat his son
 through whom the living ~~God~~ created all & everyone.
 And after first creating Jesus in the heavenly realm
 He authorized this Word to be the master at life's helm.
3. ^{As part of} ~~And as~~ the creator's ^{the Word} ~~agent the Son~~ made heavenly beings;
 Angels to minister & care for all created things.
 And each was granted power to choose which master
 he would serve
 which would determine what eternal fate each would deserve.
4. Jehovah, the only sovereign God there's ever been
 created man, his crown of creation to worship him.
 But true worship could only come by freewill choice, and so
 He let his human children choose which way each one would go.
5. But led on by one wicked angel who chose to rebel
 Satan and his followers rang out their own death knell.
 And in the process ruined the Earth,
 and brought forth death and pain-
 the necessary price of letting men have their own reign.
6. But soon will come a glorious day,
 when man's reign will be ended,
 Jesus will intervene, his followers will be defended.
 And all will understand why evil had to run its course
 for all to realize man could not live without his source.

 FADE TO END]
