

1. These are the trying times, you promised would come;
with cataclysms of all kinds, that break the souls of some.
And as you pour your wrath out, firing your spiritual guns,
protect your servants with your shield over your chosen ones.

HOOK | Just fill me with your power, Just fill me with your power;
Just fill me with your power -- with your love.

2. While men of evil worsen, as they will until the end,
guard and gird me by your living WORD, whose light you send.
As all the world around collapses, earthly kingdoms rent,
keep me invested with your shield, by solemn prayer well spent.

REPEAT HOOK

3. Now's the sorting time that's gathering two sides of war.
Soon every living being will have to choose, which side they're for.
As the battle lines are built with stealth from heaven's shores,
the seas of earth are locked there, where probation shut its doors.

Just fill us with your power, Just fill us with your power;
Just fill us with your power -- with your love.

INSTRUMENTAL

4. And while the end draws near, the wicked drink your cup of rage.
As we, your chosen loyal ones, invite the dawning age --
of your kingdom never ending, the last one to come to stay,
ordained at creation by the WORD, the power of Yahweh.

Then the world will fill with power, all creation filled with power;
All engulfed in the power -- of your love.

Just fill me with your power, Just fill me with your power;
Just fill me with the power -- of your love.

Just fill us with your power, Just fill us with your power;
Just fill us with the power -- of your love.

REPEAT AGAIN
