

**JUST MELT INTO MY ARMS — FOREVER**

7-15-14 (1)  
(#71)

1. Just close your eyes  
and no one else is even here  
And whisper it, trembling, softly  
in my ear.  
Say it ! Tell me you love me  
As my heart pounds against yours,  
Say it boldly, mean it — with no fear !

**HOOK/**

**REFRAIN:** Just melt into my arms — \*  
Just melt into my arms —  
Just melt in my arms —  
Forever †

2. Dance with me, darling  
cut your heart loose, let it soar !  
And move your body as one with mine  
till we're not two anymore.  
Just hold me in your silence,  
in your tenderest love forever.  
Don't let go — *No! No! No! Never!*

**[REPEAT HOOK/REFRAIN]**  
**[INSTRUMENTAL: SWEET AND POWERFUL]**

**BRIDGE:** Just hold me in your silence,  
In your tenderest love forever  
Don't let go — *No! No! No! Never!*

3. Surrender, I Surrender !  
Two hearts — one solemn, one tender,  
melt as one, adorned with the sun,  
the sky, the wind, when we're together.  
Then say it again, even in your  
silent, tenderest love forever  
Don't let go — *No! No! Never!*

**[REPEAT HOOK/REFRAIN]**  
**[REPEAT IT AGAIN]**

**[END]**
