

KAIROS SONG: IN GOD'S TIME

CHORUS A: In God's time,
In God's time,
In God's time ticks by
the hours of yours and mine.

In this place
see Christ's face
in another -- share their love
and let yours shine.

REFRAIN 1: In God's time
His Spirit will reveal to us
The great depth of His love
for you and me.

It's our time
to enjoy the miracle of His love
Sharing it
with this loving family...

[REPEAT CHORUS A, ABOVE]

REFRAIN 2: In this life
there are many roads we travel down
choosing paths that we want
to set us free.

We've arrived
at this place He's prepared for us
in the treasure of *relationship of you and me (10-12-93)*
of our own Community.

CHORUS B: It's our time
In God's prime
In His service
we're the branches of Christ's vine.

We embrace
this safe place
Where we can give love
in this fullness of God's time.

REFRAIN 3: This is real
so real that we can find ourselves
underneath the masks and covers
we all wear.

Here we feel
the natural longing of our hearts
to live by giving to each other
as we share...

[REPEAT CHORUS A - AND FADE OUT]
