

1. I look inside your eyes and I see me, me, me.
I look inside your soul, I know I'm free, free, free.
I don't know the words to tell you, I just know that I have found you,
Everything, inside and all around you,
Kathy, Kathy, Kathy.
2. I kiss your lips and smile, my fire is warm, warm, warm.
I taste your sacred treasure, oh, I know I'm home.
Past the diamond mines inside your heart, that place we can't be torn apart,
Everything, finished from the start,
my own, my own, my own,
[She is all my very own].

INSTRUMENTAL

3. I light your flame, you bear my name, it gives us birth.
Your life's the frame in which I stake my only claim of worth.
There is nothing left to be, we've reached the end of the journey,
Together is everything, forever,
-- Kathy, Kathy, Kathy.

BRIDGE | Where my restless heart struck liberty
your['re] mine so deep inside me.
They say the treasure trove is less rewarding than the journey.
But I say, your love is heaven's gold, that I can both enjoy & hold,
the treasure all real men have sought through all of history.

[MODULATE UP]

4. I look into your eyes, the world is gone, gone, gone.
It vanished with those things that all went wrong, all wrong, all wrong.
And as long as I'm with you, I have everything to give you,
Everything is mine when you're with me,
My Kathy, Kathy, Kathy.
