

LADY BONITA

9 - 27- 12

1. I see the sunshine in your eyes;
at night the moon glows from your hair.
Heart-stopping captivating smile
-- the scent of your love fills the air...

2. And in the shadows of twilight,
it's not hidden from my sight;
You couldn't hide it if you tried
-- the kind of love for which men have died.

[INSTRUMENTAL, 2 TIMES]

3. There's nothing else in life like love
between a woman and a man.
I know one like you comes but once
in a searching man's lifespan.

4. So let's not throw this chance away,
-- save this dance for another day;
My love for you is like your beauty
-- Lady Bonita, it's for eternity!

[INSTRUMENTAL, FADE OUT]
