

1. Light up the way,
darkness covers this day;
But the truth is still told
by His reserved.
Like a lamp in the night,
imbuing glorious insight;
against the wicked
under judgment deserved.
2. Light up our way,
with your truth that will stay
through the worst of the battle,
—yet to come.
Keep your remnant cut strong,
we know where we belong,
and we know where
our forefathers are from.

[INSTRUMENTAL INTERLUDE]

3. Light on the way,
we know that you'll repay
just and high rewards
for all who suffer now.
Who pay for bearing Your light,
and in daring what's right;
as our life of service
is our living vow.
4. Light up the way,
with each word that You say;
In your treasured Scriptures
that you still impart.
To all who'll turn to Your light
and find refuge in Your might,
in the same truth
You sent us from the start...
