

LIVING RIGHT HERE IN PARADISE ON EARTH

- 1. <sup>Jehovah</sup> Jehovah, everyone here is my brother,  
with our sisters in a land so strangely familiar.  
But gone are the wars, the suffering,  
hatred and destruction...  
Living right here in Paradise, on Earth.
- 2. O Father, as I gaze at my surroundings,  
I see the faded signs of the old system of things.  
But here we have plenty —  
each man, woman & child is happy...  
Living right here in Paradise, on Earth.
- 3. United, we are finally one family.  
We have everything we need to provide  
for each & every one.  
No greed, no hunger, and no hurry to get anywhere...  
Living right here in Paradise, on Earth.

- 4. Your Kingdom, this is it forever!  
No risk that it will change again to the old ways.  
No fear, no crime, no horrors,  
the only tears here are of joy...  
Living right here in Paradise, on Earth.

- 5. <sup>Jehovah</sup> Jehovah, our reward is inconceivable;  
that we get to honor you on earth: living acts of worship.  
Creator & Son our King,  
our lives with you, unending...

Living right here in Paradise, on Earth...
