

1. Love conquers all: When sadness rips the heart and tears it down.
Love conquers all: When stone-alone, no one real to be found.
Love conquers all: It captures souls and frees spirits bound.
Because, because it does: LOVE CONQUERS ALL!
2. Love conquers all: When you don't want love, it's far too late.
Love conquers all: When life takes its toll, through twists of fate.
Love conquers all: Even in those ones, hell-bent on hate.
Because, because it does: LOVE CONQUERS ALL!

REFRAIN

Of all the mysteries taught and told.
Of all the lessons bought and sold.
The final writing on the wall, is LOVE CONQUERS ALL!

3. Love conquers all: Love is what the heart of life is all about.
Love conquers all: When you felt for sure there's no way out.
Love conquers all: With love you'll win, in the final bout.
Because, because, it does: LOVE CONQUERS ALL!

BRIDGE

Don't you know love already conquered it all.
It was that way from the very start.
That's how you made it through so many times,
when the very seams of your dreams fell apart.
And you never even knew, why, or how, or who —
But it was love that came to your rescue.
Every time love took its toll, on heart & soul, that bled for mending,
love healed us from the start, and love will seal the happy ending!

4. Love conquers all: No matter what hell you've been put through.
Love conquers all: When there's nothing else, that's true.
Love conquers all: When there's nothing left that you can do.
Because, because, it does: LOVE CONQUERS ALL!

REPEAT REFRAINMODULATE UP

5. Love conquers all: When all around you is dying.
Love conquers all: When the reality you see, is lying.
Love conquers all: When all that's left, is to quit trying.
Just because it does: LOVE CONQUERS ALL...

And no one, no, nothing,
conquers love.

LOVE CONQUERS ALL

Of all the mysteries taught and told.
Of all the lessons bought and sold.
The final writing on the wall
is LOVE CONQUERS ALL!

Love conquers all,
when sadness rips the heart and tears it down.
Love conquers all,
when stone-alone, no one real to be found.
Love conquers all,
it captures souls and frees spirits bound.
Because, because it does,
LOVE CONQUERS ALL!

Love conquers all,
when you don't want love, it's far too late.
Love conquers all,
when life takes its toll; through twists of fate.
Love conquers all,
Even in those ones entrapped in hate.
Because, because it does,
LOVE CONQUERS ALL!

Love conquers all,
no matter what trials you've been put through.
Love conquers all,
when no one and nothing seems to be true.
Love conquers all,
when there's nothing left that you can do.
Because, because it does,
LOVE CONQUERS ALL!

Of all the mysteries taught and told.
Of all the lessons bought and sold.
The final writing on the wall
is LOVE CONQUERS ALL!
