

1. Come, shower all my days with love,  
while our time is here.  
While its power 's sifted away from us  
by creeping, stealing fear.  
Those dreams from youth of love's rewards  
fight wars 'gainst foes unclear,  
while hours each day we sell to hell  
as life waits so sincere.

**REFRAIN** But when the darkness comes, and the end is near!  
You'll remember what I said, about  
**LOVE WHILE WE'RE HERE!**

2. I've seen that look behind your eyes,  
your heart cut like wind shear.  
When the greatest thing inside you dies,  
too dead to shed your fear.  
The whole mankind has fallen down  
and dragged down each one's peer;  
just look around, that pain you've found  
is but you looking in a mirror.

[REPEAT REFRAIN]

**BRIDGE** So, tell me all the secrets that you know  
before the end of life calls me to go.  
You'll soon, then, learn the purpose that we're here for...  
For every one you give, you'll learn two more.  
Go seek beyond earth's grandest, highest schemes,  
for love this side of all the very richest dreams.  
Beneath our highest desire is the root of love;  
For that's the richest thing that life is made of.

3. Desire with me, more than just  
barbed, empty words once shared.  
Put fire in me, much more than lust,  
where few, fearless have dared!  
Know every goal for which we strive,  
whose ambition makes us blind,  
is but love fighting to stay alive,  
and to open our souls to find:  
That once the darkness comes, and the end is near!  
You'll remember what was said, about  
**LOVE WHILE WE'RE HERE!**

Yes, when the darkness comes, and you can feel the end is near!  
You'll remember what I said, about  
**LOVE WHILE WE'RE HERE!**  
...ABOUT, **LOVE WHILE WE'RE HERE!**  
...ABOUT, **LOVE WHILE WE'RE HERE!**

[EPILOG VERSE]

4. We can't have this life back again;  
it's a one-way trip to the end.  
You can run away from now-to-then  
--a gap no one can mend.  
The only meaning in between  
--don't package it as a gift  
to put away for a rainy day  
while its love cries out to be lived!

For, when the darkness comes, and you can feel the end is near!  
You'll remember what I said, about  
**LOVE WHILE WE'RE HERE!**

**...ABOUT, LOVE WHILE WE'RE HERE!**
