

LOVE YOU TILL THE DAY I DIE

1-31-16 (2)
(#11)

- 1. I can't tell you all the reasons, darlin',
I can't tell you, can't even sketch in the how or why.
All I know is I'd give up this dear life for you;
all I know is I'll love you till the day I die.
No matter what
— I'll love you till the day I die.**

[INSTRUMENTAL]

- 2. I don't expect I'll ever try to predict the future,
I accept I'll never know what tomorrow may belie.
It's enough, givin' everything I am today, to her,
all I know is I'll love her till the day I die.
No matter what
— I'll love you till the day I die.**

**BRIDGE: Tell me the reason for this feelin'.
Tell me some answers to why ?
Or, no — it's better that I live in this bliss,
loving every kiss, and sigh *
till the day I die, till the day I die.**

[INSTRUMENTAL]

- 3. Live the simple life, it doesn't need to be all that complex.
One day at a time, or at least give it my best try.
As long as each one is shared with you, there'll be no regrets,
as I know I'll love you till the day I die.
No matter what
— Till the da-ay I-I die.**

[INSTRUMENTAL]

- 4. We can raise up a family with a little girl just like you. †
Though there'll be times we won't see everything eye-to-eye.
But even then love will get us through whatever we must do,
and through it all I know I'll love you till the day I die.
No matter what
I'll love you till the day I die.**
