

NEVER STOP THINKIN' ABOUT YOU

10-4-14
(#85)

1. Ever wonder what all that love was even for ? **Am-Am/G-Am/F#**
— Never realized why you walked out the door. **Am-Am/G-Am/F#**
The days of love we had were so intense — but too few **Am-Am/G-Am/F#**
I never stop thinkin' about you . . . **F-E⁷-Am**
I never stopped thinkin' about you . . . **F-E⁷-Am**

[8 BAR TURNAROUND]

Am-Am/G-Am/F#-F-E-Am

2. How'd we ever come together in the first place ?
Can't quite remember how you wandered into my space.
Oh, but I remember all those feelings, all too true
And how I've never stopped thinkin' about you . . .
I never stopped thinkin' about you.

[FULL INSTRUMENTAL]

3. I'm wondering, if we did things different, would our love still last ?
Would those nebulous dreams not have drifted into the past ?
— Wondering, wandering in this daydreaming I lately do
As I never stop thinking about you —
Never stop thinking about you.

BRIDGE: I saw a girl who looked just like you, the other day — **F-E⁷-Am- [?]**
Wherever I go, whatever I do, you're there in the way. **F-Dm-C-Em⁷**
You're even in my mind, in times when I succumb to pray . . . **F-G-Am-Em⁷**
Do you ever think of me even now and then ? **F-Dm-Am⁷**
Do you ever dream of what we had when . . . **F-Dm-E**
We had each other and nothing else had much significance, **F-Dm-C-Am**
lost there in our magnificence — and our innocence. **Dm-E-Am**

[TURNAROUND]

F-G-Am-Am⁷
Dm-E-Am

4. Ever wonder where we'd be if I'd have loved you more ?
— Still never understood why you walked out the door.
Would you welcome my love again, still intense, but new ?
I never stop thinkin' about you . . .
I never stop thinkin' about you . . .
— (was that girl I saw the other day really you ?)
. . . I never stop thinking about you . . .
. . . I never stop thinkin' about you . . .
