

1. YAH shares His power with men;
just when you think it's over, it's about to begin!
Little secrets like big powers locked inside the universe,
are like buds of flowers, that He gave you to nurse...
So you may learn the meaning and the purpose of your being.
So you may know the essence inside all that you are seeing.
So you can still be happy even while locked in a prison,
For your happiness is rooted in the WORD within you, risen.

2. YAH shares His mysteries with man;
You struggle with your will, but it's all part of His plan!
So hold on to the faith of Him, faith that's never blind.
Years of old coal, like your life, becomes a diamond so refined...
So you'll become the tower of the lighthouse that you're seeking.
So in time, hour-to-hour, you'll see perfection in your living.
So you'll be glad it happened just the way it all occurred,
for you'll know it was written, when Yah first spoke His WORD.

3. YAH shares His glory with men;
just when you think it's over, it's about to begin!
Hold fast to His promise when you don't quite understand.
Drowned in shattered dreams, He won't forget you,
but will set you on dry land...
So you'll know you're His reason, for all that you've been given.
Even in the darkest times, when you'd rather die than be livin'.
You'll have something sacred, richer than any source of wealth;
It's the source of the WORD in all you've got — and that's yourself.

4. YHWH shares His presence with man;
You struggle with your will, but it's all part of His plan!
All these empty eras, when it seemed everything was so wrong,
will guide you to where you know, it was just right all along...
So you can be happy, for all the times you had.
For everything you've been through, you'll finally be glad.
You think you're running out of the time you need to get to "there."
The truth is, you're just here, and you're not running anywhere.

YHWH shares His eternal love with man.
He created us for His purpose;
His love is, I am.
YHWH shares His eternal love with man.
Just as you are,
His love is, I am.

INSTRUMENTAL FADE-OUT
