

O-O-OPEN MY EY-ES *

6-6-16
(#53)

1. How blind I was, struggling with my issues
while you were right there in front of me.
There you were, a whole new universe of love just waiting,
but I was too blind to see.

#1 HIT SONG

REFRAIN/

HOOK: O-o-open my ey-es; o-o-open my ey-es; o-o-open my ey-es,
that I could really see with my heart.
O-o-open my ey-es; o-o-open my ey-es; o-o-open my ey-es,
that I could fe-el the re-al you.
O-o-open my ey-es; o-o-open my ey-es; o-o-open my ey-es . . .

2. How hard it is sometimes, to awaken from this stupor
into a real dream-come-true.
When my worst enemy inside me like a trooper
marches blindly right on past someone like you.

[REPEAT REFRAIN/HOOK]

3. If love was lost let's make up now for wasted time
we would have, should have intimately shared.
The bridge is crossed, never to return to where
there's anything that love hasn't repaired.

[REPEAT REFRAIN/HOOK]
