

PRAISE PROVES TRUST

2-29-92

(#8)

- 1. The will of our Father
is the essence of all things
He knows, and is the very foundation.
It's the Father's will injected
through the veil of His Holy Spirit
from which has been
and always is born all creation ...**
- 2. The will of our Father
is the soul of one grand purpose
we can't see like the forest from one tree.
Oh, but anytime we fight it
we can't make it wrong or right it
For doing so only sets back
willed-Divinity ...**

**BRIDGE: Of all things past and present
and all the things to come
There's nothing that can ever be
but His will and reality as one.
And of all the lessons we've to learn
this is the greatest one:
The only things life ever brings
is our Father's will in action being done.**

**And trust is a must
our praise proves trust
when suffering's the only thing
can cut a diamond from the rough.**

[MODULATE UP]

**Our trust is a must
and praise proves trust
when adversity overtakes me
and is too big to rebuff.**

[MODULATE UP]

**And trust is a must
Praise proves trust
When we can't praise for everything
our faith is not enough.**

3. The will of our Father
can't be broken or eluded
although He lets the world run free
to gain what we must learn.
Eventually we'll see
it's in His will ours is included
and the splendor in surrender
of all for which we yearn ...
4. The will of our Father
is the only place to go
all trials of our own will still end up there.
Choose the long highway of heartaches
or eternal path of harmony
When ready: ask & seek & knock,
Surrendering in prayer ...

[REPEAT BRIDGE]

And trust is a must
our praise proves trust
When can't praise for everything
our faith is not enough.

[MODULATE UP]

And trust is a must
our praise proves trust
He put us here to do His will
all else done turn to dust.

[MODULATE UP]

Faith springs from trust
We'll do His will - or bust !
He loves our praise because it proves
it's in His will we trust.
