

1. Yahweh's People come together now, to fellowship and sing;
Sing His glory, spread His story, Praise YHWH!
We are brothers, we are sisters, of His loving family. *
As we've heard, spread His word, Praise YHWH!

REFRAIN

Triumphantly, we meet; gathered in His name.
Like at Pentacost, when He called His "lost,"
and the Holy Spirit came.

2. Let us worship and pay homage, to our loving sovereign;
To our King, let us sing, Praise Yahweh!
We adore Him and we love to give Him glory, willingly.
Without shame, we proclaim, Praise Yahweh!

REPEAT REFRAIN

3. In His wisdom He is perfect, in His mercy He is kind.
He is just, and owns our trust, Praise YHWH!
Yahshua loves and watches over us, to help us in all things.
We're aware, He is there, Praise YHWH!

REPEAT REFRAIN

**

4. Yahshua loves and watches over us, to overcome right now.
We've no fear, we know He's here, Praise Yahweh!

END

*["Brothers" line sung by men. "Sisters" line sung by
women in assembly].

**[Verse 4 = Epilog: sung very slowly and ritard more
at end].
