

[Bridge to] PRAISE YOU, PRAISE YOU, PRAISE YOU

[Main body of song (verses) written several years ago. This new bridge will go 2 or 3 places throughout the song, between verses]:

[BRIDGE]:

If we'll praise -in trust
He'll raise -in us
His spirit of truth
freely given;

Cast aside every doubt
praising within and without
in every circumstance
in our livin'.

If we'll praise -in faith
He said -He'll raise
His spirit of comfort
inside us;

He'll be with you & me
even set our spirit free
if we'll let Him enter in our hearts
to guide us...
