

SHE'S MY FAVORITE FAN

EXTREMELY JAZZY $\frac{4}{4}$

1992 #21

HOOK: She's my favorite fan*
I'm her music-man
I play from the heart
and do my part
to please her in every way I can.

1 I don't perform without her
There's nothing I don't love about her.
The awe-piercing rage
spectacle on stage
is the passion burning
from-my inner gears turning
to engage my love - inside her.

HOOK: She's my favorite fan*
I'm her music-man
I sing from my heart
and play my part
to please her in every way I can.

2 The music that she hears
is in the beholder's ears;
The more I behold her
the love I unshoulder
overtakes me till I'm numb
in the sound of how I wanna come
together - to love her.

[REPEAT HOOK]

3 Her good un-common scents
drives my love intense
My insides go wild,
sensations compiled-
Till they turn my insides out
till there's nothin I can do about
my love - but give it to her!

[REPEAT HOOK]

4 She rocks me off my feet
with her body rhythms, sooo sweet.
Her vibrations woo me
like no one can do me
She's won my heart completely
taken me discretely
I can't do-it - without her.

[REPEAT HOOK]

Continued from below:

5 She knows how to love her star
no one else can get that far
She's the inspiration
that creates the sensation
that the world hears in his songs
while all the while he longs
just to play - for her...
with her...
by her...
in her...

[INSTRUMENTAL]

6 Our heart-songs come together
a fire that burns forever
Nothing can cool me
and no one can fool me
about what wealth I've got
It's molten, burnin' hot

We aimed and hit the only spot
could bring our lives to harmony
-no other way that it could be
my love for her, her love for me
is the melody - that is her!

[REPEAT HOOK]

[INSTRUMENTAL TO END]

-END-

*Alternate the two hooks as desired.
