

INTRO: There's a silver lining, and it's shining,  
somewhere in that cloud.

1. When the worst thing that could happen, happens to you;  
It seems sure you can't endure what you're going through.  
It's vital you remember, there's yet one undying ember  
of the flame that keeps the one last hope alive;  
it's the silver spark that makes your heart survive.

HOOK

Remember...

There's a silver lining in that cloud  
that took away your sunshine.

There's a silver lining in that cloud  
that took your hope away.

Oh, it's so hard to see your own life's single greatest opportunity:  
hiding behind divine timing,  
seek and you will find, the silver lining.

INSTRUMENTAL

BRIDGE

There is no tragedy that wasn't meant to be.

There is no hopelessness, that isn't rooted in a greater light.

And there's no suffering, that wasn't meant to lead to something  
that would take you to a greater, blessed height,  
but only if you'll use the clues just right.

Remember...

There's a silver lining in that cloud  
that took away your sunshine.

There's a silver lining in that cloud  
that took your hope away.

It's so hard to see, your own life's single greatest opportunity:  
hiding behind divine timing,  
seek and you will find, the silver lining.

2. Seems impossible that there could be a purpose;  
when you're stripped of everything till life feels worthless.  
It's too easy to forget, the bitter end is not due yet  
Don't forget to look beneath its veiled shroud;  
don't you fail the shining lining in that cloud.

Remember...

There's a silver lining in that cloud  
that took away your sunshine.

There's a silver lining in that cloud  
that took your hope away.

Oh, it's so hard to see, your own life's single greatest opportunity,  
hiding behind divine timing,  
seek and you will find the silver lining.

EPILOGUE: There's a silver lining, shining,
