

## **SLIPPERY SOUP NOODLE SONG**

2-27-16 (1)  
(#28)

**It's a silly song,  
you can sing along,  
it's a goofy song —  
sing it weak or strong . . .**

**If you want to —  
you don't have to sing along  
to a silly song  
or to any song . . .**

**But it will increase  
your longevity,  
even if you sing  
in brevity . . .**

**And get rid of that frown  
that keeps your face and wrinkles  
pulling down, down . . .**

**[REPEAT ALL OF ABOVE, OVER AND OVER]**

**[END]**

- All for fun. A really fun-goofy tune, too
- Odd syncopation, in  $\frac{3}{4}$  time
