

1 The whole world is sunk
below the soul ~~&~~ my shoes.
It all smells like a skunk
that's got the bad news.
(I got the):

Hook: "It's so pathetic,
It's copacetic..."
Blues.
So tangled up
and turned inside-out inside,
Don't know my
"don't's" from my "do's."

2 Just look at our music
-catch the words of that song?
The crowd's in a frenzy
worshipping some swinging ding-dong.
(You can tell by the music
of the times)
(They live by the):
[REPEAT HOOK]

3 Just turn on the T.V.
any station you use
The soap's ~~is~~ as dirty
as the rehashed moral-bashed news.
(They all got the): [HOOK]

4 Instruction - induction
or which one do they choose?
Schools churning out fools
and turning out global-minded refuse;
(who all got the):
[REPEAT HOOK]

5 Have you been in the courtrooms?
Black is white - weak is strong.
The more ya live your life right
the more they bust us for wrong.
(They judge by the):
[REPEAT HOOK]

6 Ya talk politics and politicians
where donkeys & elephants vote;
But the prime party runs satan
and the other one runs his goat.
(The whole nation's gone crazy
with the):
[REPEAT HOOK]
[INSTRUMENTAL]

(continued):

[Epilog verse]

7 There's just one solution
when the world's gone this wrong
You can play your ~~self~~-restitution
by gettin down with singin this song
(cause we all got the):

[REPEAT HOOK]

[tag] Judging by the state of the world
No-o one, no-knows
their "don't's" from their "do's."

...The whole world I'm in is crushed
crushed, down under my shoes.

[INSTRUMENTAL TO END]
