

[Lyrics only by PFL: Go to existing famous song: STAND BY YOUR MAN]

1. Sometimes its hard to love just one woman,  
being what we are -- when you're a man.  
She'll act strange sometime; mystify you for a lifetime,  
doin' things you'll never understand.
2. But if you love her, you'll accept her.  
Even when she doesn't suit your every plan.  
You'll go through good times; and together through bad times,  
but through it all -- prove you're her man...

REFRAIN

Stand by your woman!  
Give her your strength to cling to.  
She longs and labors day and night  
Doin' things to set your heart right.

Stand by your woman!  
And show the world you love her!  
Keep showin' her that she's the one [the one & only one]  
Stand by your woman!

3. A man has duties toward his woman.  
The first is learning what she wants and needs.  
She'll never tell you -- not the way we tell them,  
but she'll telegraph it, to a man who heeds.
4. She needs your toughness, drive and passion.  
But she needs your tears and tenderness too.  
And give her her private time, solitude without-you time.  
Get to know and balance all this right on cue...

[REPEAT REFRAIN]

5. If you can do this for your woman;  
as a man of honor, faith and care.  
Even in the hardest climes, most unjust and trying times,  
she'll never leave you -- oh, she'll be there!  
[By your side, right there -- forever]\*

[REPEAT REFRAIN: 1st two lines of Part A,  
and last two lines of Part B]

[Fade-blend into original "Stand By Your Man," and reciprocate]

[END]

\*Background voice, and whisper  
the word "forever."
