

1. Since the prophets spoke in parable
 of a coming doom more terrible;
 in cryptic messages material,
 from and to time immemorial.
 Everything portrayed is an allegory
 of a bigger, more real, more potent story.
 All things in creation symbolize
 what the masses never recognize:

HOOK | SYMBOLISM, its own spectral prism.
 Reality isn't what we see, it refracts its light symbolically.
 SYMBOLISM, it's all symbolism.
 Everything means something much more, behind symbolism's door. *

2. All that's in the world we see
 was symbolized in old history;
 that led us to where we are today,
 in symbols only symbols could portray.

HOOK *

3. The creator in majestic scheme,
 by wisdom we could never even dream
 included signs that but reveal
 what's hidden 'neath an esoteric seal.
 Sacred mysteries never understood,
 there before our eyes for our own good;
 if we'll but tear back the shroud,
 the answers gleam like the sun and shout out loud:

HOOK *

INSTRUMENTAL

4. Our life itself may symbolize
 a greater reality in Yah's eyes;
 that few will ever comprehend
 before their worldly life comes to an end.
 Some say we're but the creator's thought—
 mental soldiers in His battlefield we fought
 the war that pits the evil 'gainst the good
 —Symbols of symbols none ever understood.

HOOK [REPEAT WITH VARIATIONS TO FADE] *

END

* [HOOK VARIATIONS: On last line of first 1/2 of HOOK]:
 "Life unfolds its story, sym-bol-i-cally."
 "Creation unfolds itself sym-bol-i-cally."
 "Life unfolds itself in mystery."]

[Repeat the word "symbolism" over fading HOOK]
