

## THE AWESOME DRIVE BEHIND MY POWER

2-19-16 (1)  
(#22)

**REFRAIN:** You are the genesis, my beginning  
I'll be beside you to the end.  
You are my always lover, my wife for life,  
most loyal, forever friend. \*  
You are beside me, you are inside me,  
you are the blossom, you are the flower;  
you are eternally the best part of me —  
*the awesome drive behind all my power.*

**TAG:** *You are the blossom, you are the flower,  
the awesome drive behind all my power.*

1. I could never be whole without you;  
without you I couldn't be me.  
You inspire my desire, you drive me crazy  
in love, in ecstasy.  
You are the fountain that sources my river,  
that pours out love endlessly;  
and you're the perfect counterpart of my restless heart —  
you're everything I always wanted you to be.

**[REPEAT REFRAIN WITH TAG]**

2. Come laugh with me through the ups and downs;  
I'll see you through the good and bad.  
Let's weep together and keep forever  
the memory trinkets of all we've had.  
Whatever life brings, whatever we go through,  
I want all of it to be with you;  
the destiny, the journey, and one guarantee:  
that I'll give you me forever, as I've promised to.

**[REPEAT REFRAIN WITH TAG]**

**TAG:** You are the perfect counterpoint of my restless heart,  
you're everything I always wanted you to be . . .
