

## **THE FIRST WINDS OF WINTER**

2-19-15 (1)  
(#8)

**HIT SONG**

1. **For the moment we can have eternity  
Glimpse paradise as far as the heart can see  
We could stay with our souls intertwined together  
And fly away on the day after forever.**

**REFRAIN: And if the winds of summer  
carry me far from your heaven  
I swear I'll never let you go.  
I promise to be back  
at the dawn of the season  
when the first winds of winter  
start to blow.**

2. **Though we'll not know what tomorrow has in store  
I have everything I want, in you — and more  
If it happens that you wake up and I'm gone  
just know it wasn't me who chose to bring the dawn.**

**[INSTRUMENTAL (OF REFRAIN SECTION)]**

3. **It took a thousand eternities to find you,  
all the broken-hearted pieces left behind you.  
The scent of your body trapped forever in my mem'ry  
For freedom's sake I'll go, but won't be free.**

**[REPEAT REFRAIN]**  
**[INSTRUMENTAL]**

4. **Hold my heart inside of yours till I return  
Feed the fire of our passions — let them burn  
As I come back with the first of the snow,  
it'll be the last time — I'll never again go.**

**[REPEAT REFRAIN — FADE OUT]**

**[END]**
