

Mankind is falling fast into  
 conditions once predicted  
 through men of old inspired by God *and*  
 who saw our world afflicted  
 with the suffering of our times,  
 tares grown cold unaware  
 their hearts like stone in self-praise  
 causing burdens hard to bear.

[REFRAIN]: And the glory of the world  
 consists but of their shame,

 Jehovah, Jehovah...

But we are people branded with  
 a hope in Christ who came  
 to fulfill the promise  
 and to glorify his Father's name.  
 Despite the world around us  
 driven only to destroy  
 In its midst no matter what may come  
 we still have cause for joy

 & Hosheah 4:7

While the glory of this world  
 consists but of their shame,  
 all our glory is only in his name:  
 Jehovah, Jehovah...

The Father of creation,  
 though he may not intervene,  
 doesn't mean our dire condition  
 in his eyes has gone unseen.  
 But, in his patience he allows  
 our adverse circumstance  
 to turn hearts from disobedience  
 extending one last chance. [REPEAT REFRAIN]

While man wallows in the mire  
 of his shame he counts as glory  
 Our Almighty God has never changed  
 his purpose in history.  
 He has let man choose to give  
 his praise to God or other men,  
 and history's proved man's best is vanity  
 again, again, and again. [REPEAT REFRAIN]
