THE O.J. SONG

[SONG

HOOK]: Everybody wants O.J. - Only Justice!
 Everybody loves O.J. - Only Justice!
 Everybody loves O.J. - Only Justice!
 Everybody wants O.J. - (O, Joy).

It's the case of the Century - so they say
 It's the tragedy of the family of O.J.
 It's a story with a history long and sordid
 that not even Mr. O.J. could have afforded.

And...[REPEAT HOOK]

Though the circus goes on in the news stories daily
 This court will have no monkeying or Barnum & Bailey.
 His word's the final say like Emperor Hirohito,
 Would you all stand and give a hand to Judge Lancelot Ito.

And...[REPEAT HOOK, OR BETWEEN EVERY-OTHER VERSE]

Does innocence or guilt-to-the-hilt really matter
 When the media can milk it for this lucrative chatter?
 Once again the world is focused on L.A.
 Down to the naked truth of a man's DNA.

And...

Hard Copy's cameras dig up the goods on Marsha Clark
 so the world who tunes in won't be left in the dark.
 In the world of D.A.s she's known as head honcho,
 but the stellar top-seller is still Ford's white Bronco.

(And...)

For years a railroad to the prison was built
 ridden in by many with no ticket of guilt.
 But the O.J. train supplies its own engineers
 -Men who know how to jam those freight train court gears.

And...

CONTINUED ON NEXT PAGE...

If Mr. O.J. doesn't cop for a deal
He can win a technicality on appeal.
If it's true that Orenthal really has juice
everyone will be sure if the courts cut him loose.
(And...)

Is it all a matter of beating the system?
With so many "defenses" that no one could list 'em?
Are the high-class right claiming "No one can bust us"
Did the whole world forget what they used to call justice?
And...

O, Media, Media, trial by TV
Dirty-laundry lives the whole world wants to see...
Will his mail sent to jail be allowed in with Steroids,
Or is that just a myth pumped-up by the Tabloids?
(And...)

Does his face bear a trace of the one on your pennant
Or does his picture change when he's named "The Defen'ant"?
If the man's innocent he should be set free,
But he must pay the piper if he's earnestly guilty.
And...

The best source, of course, for "Juice" is HARD COPY
-More tips & quips than fit on the world's largest floppy.
They've not done much for O.J.'s public image
-He was found too out-of-bounds way past the line of scrimmage.
(And...)

Does this case have the grace to spawn a new hero?
Cochran, or F. Lee, or Robert Shapiro?
O.J. could once play with The Bills & big Bucks
But short money ain't funny for no sittin' ducks.
And...

Everything is now in the hands of the jury
A "Speedy Trial" I'll bet that won't be done in a hurry.
Many now speculatin' the verdict will be hung,
then talk of basement bargains will be on every tongue.
(And...)

Let's not lose sight of Ron & Nicole
The world asks the Good Lord to please bless their soul.
And O.J. can take the stand without fear
Then later do confession before Rosi Greer.

Continued from page 2: THE O.J. SONG

This is the play of your life, Mr. Juice
The world as your opponent has offered no truce.
Will they send you to the bench, forever & a day
Or can you win this one, last, crucial touchdown play?

And Everybody loves O.J. - Only Justice!
Everybody wants O.J. - Only Justice!
Yes, Everybody wants O.J. - Only Justice!
Everybody loves O.J....
