

THE ONLY HOUR OF LIFE YOU EVER HAD

2-5-16
(#16)

REFRIAN/

HIT SONG

HOOK: Live every hour of every day and be glad
for every hour of the good and the bad
as if it were the only hour of life you ever had !

1. Workin' for Friday, livin' for the week to end.
Sacrificing everything in between,
ever-reaching `round that bend.
You've been doin' this scene since you were fourteen,
dyin' every day to get to what's down the hall —
in case you didn't catch on, you fell for *the con*:
For that isn't life ! That's not livin' at all.

[INSTRUMENTAL]
[REPEAT REFRAIN/HOOK]

2. Wage-slavin' to squander all you're savin' — for what ?
Throwin' away the best parts of life
for a smoldering butt.
You've been doin' this scene since you were thirteen,
never knew you had a purpose, hardly cared you had a call —
in case you didn't catch on, you fell for *the con*:
For that isn't life ! That's not livin' at all.

[REPEAT REFRAIN/HOOK]
[INSTRUMENTAL]
[REPEAT REFRAIN/HOOK]

3. Whoever said you needed to sell away five days to get two ?
Sounds like maybe someone along the way
pulled one over on you.
You've been doing this scene since before seventeen,
in fact, the stage was set before you could crawl —
in case you didn't catch on, you fell for *the con*:
For that isn't life ! That's not livin' at all.
That's not life ! That's not living at all !

[REPEAT REFRAIN/HOOK]
[REPEAT INSTRUMENTAL MIXED WITH REFRAIN AND HOOK,
OVER AND OVER TO END.]
