

1. Watch out for the resurrection!
If what I say evades detection.
And if it doesn't, do you know,
when the time comes, where you're going to go?

Watch out for the resurrection.....
The resurrection is an insurrection.
The resurrection is an insurrection!
The resurrection is an insurrection...

INSTRUMENTAL TURNAROUND

2. The world's become what the evil one willed.
Most prophecies are now being fulfilled.
Some run from death, some are having themselves killed.
But you can't change your fate once the lock on the gate is sealed.

REPEAT HOOK

3. The evil ones control the guns of our time.
They never fall off the wall of greed that they climb.
They troll the seas of the masses for their catch;
but facing the resurrected, will finally meet their match.

REPEAT HOOK

4. Our adversaries who bear the mark of the beast,
leaven all but heaven with their treacherous yeast.
No opposition is in position to shake their power in the least;
That is, till they face the armies of the living —
who at their hands were once deceased!

REPEAT HOOK OVER & OVER TO FADEOUT

[And overlap with: "Against the wicked, evil's infection..."]
