

1. There's a reason, there's a reason, for everything that is;  
Even when it looks like everything is going wrong.  
The finite mind of man can't see the purpose that is His;  
All those things that seem so out-of-place, are right where they belong.

REFRAIN

Just praise Him, for everything He does;  
There's a reason to it more than "just because..."  
You've been given your experience to lead you to His ways;  
To in all things seek His presence --and the path to there is praise.  
Just praise Him, for every single thing;  
For your finite mind can't see what that may bring.  
Though your life may seem to darken, lack of light is just a phase,  
to wake up your sight to harken -- harken to Him first, through praise.

BRIDGE

When you praise Him with all your heart,  
and mean it in your soul;  
The seeds of faith can start  
to let Him shape you to His goal (for you)...

INSTRUMENTAL

2. So praise Him even when you don't see why He's given you  
the darkest moments you've ever been in.  
That aligns you with His miracles, and the power of what's true,  
to turn everything you'd lost into a win.

Just praise Him, for everything that is;  
If you don't, you will forget that it's all His.  
When you feel you're fully helpless, till all your power strays,  
He has lulled you to be selfless, to come to Him bowed in praise.

Just praise Him, for everything you see;  
Even while it still remains a mystery.  
He'll let a hardship overtake your life, for a purpose you can't trace;  
\*When you're crushed with worldly strife...  
it's not that He's removed His grace...

No, He's reminding you to praise.

PAUSE, THEN INSTRUMENTAL TAG (FADEOUT)

END
