

1. Smile a blessing upon our papermoney
-a curse hidden by your identity.
What you represent, artificially,
You've stolen by lulling us into slavery.
For that is the way of idolatry:
Forging bondage that the slaves think is liberty. *
2. While our false prophets worship the X-Mas Tree
and the Easter-Bunny god of fertility;
Your Mona Lisa smile is an effrontery,
against our Promised Land of milk & honey.
But that is the way of idolatry:
Forging bondage that the slaves think is liberty.

INSTRUMENTAL

BRIDGE Idolatry, idolatry, from sea to shining sea.
You've turned our nation into a wasteland,
giving lethargy for our liberty.
Lady, graven image-lady, your whoredoms spread from sea to sea.
Your torch held high proclaiming liberty,
But you're a Trojan Whore-se idol of
slavery, and poverty, and anarchy, and misery.

3. Did you help abolish private property?
-in exchange for every strangers' poverty?
In the course of damning our Land Of The Free,
by the lie that you could freely give handouts to the needy.
But isn't that the results of idolatry?
Forging bondage that your clients think is liberty.
4. O, the treason of your worshiped body,
indicts our leaders and all the unholy.
While it may be only figuratively,
they bow down to you on weak, bended knee.
For that is the way of idolatry:
Forging bondage that the slave thinks is liberty.

Oh-- Yes, that is the way of idolatry:
FORGING BONDAGE THAT THE SLAVES THINK IS LIBERTY.

END
