

TURN ME UPSIDE-DOWN (DANCE, DANCE, DANCE)

4-2-14
(#26)

1. Turn me upside-down and spin me `round,
half way inside out while off the ground.
This is such a crazy dance
the lazy wouldn't stand a chance
no one sits this one out
— (even you, circus clown!)
2. Spin me toward the sky and make me shout !
The dance of life, what life is all about.
It's so much fun it makes kids giggle
most everyone wants to wiggle
and jiggle till your body's fit
— at least a little bit.
3. It's the dance of life and we all have one vote,
it's the music of life we create note for note.
The style is lively like a swing
we laugh and smile while we sing
and partners no doubt bring about
anything — so dance !
4. Whirl me to the sky before I hit the floor,
twirl me, no one's watching, no one's keeping score.
Let our laughter fill the dance hall
still long after they've called "last call"
we all get but one chance
in this dance ! (So dance !)

[LONG INSTRUMENTAL]

5. The tumbling, jumbling dance-moves flow in rhythms,
with intervening bolts of jolts and schisms.
Dancing is a natural high,
make me laugh, and make me cry
dance, dance, dance, dance, dance —
and then we die.
6. **[BEGIN VERSE 1 AGAIN, AND FADEOUT]**

[END]
