

WE HAVE THE HOPE

- 1. We have the hope of a new world
 where all of creation lives in harmony.
 The heavens are clear, and there is no fear,
 We wait for your Kingdom to come, Jehovah.

(Instrumental turnaround)

- 2. We have the hope of His promise
 that one day we'll all be one family.
 We are assured, for it is His Word,
 We pray for your Kingdom to come, Jehovah.

(Instrumental Interlude)

- 3. We have the hope of true peace, soon,
 for all of us for all eternity.
 With Jesus, our King, over everything, *with Jesus our King, a new world beginning*
 In your time your Kingdom will come, Jehovah.

(Instrumental turnaround)

- 4. We have the hope of a new Earth
 where caring and giving are 'a-plenty.
 Pain will not be, all men will be free,
 We hope for your Kingdom to come, Jehovah.

(Instrumental: fade out or play to end).
