

WITH THE PROMISE OF HEAVEN
(WHAT WILL YOU GET?)

5-25-14 (1)
(#53)

REFRAIN: **What will you get with the promise of heaven?
What will it mean to you?
And which for the first time won't ever be taken
with nothing forsaken that you do.**

**Where will you go when you can go anywhere?
With no limit throughout time or space?
Wherever you choose, there's no fee, there's no bus fare
and stay how long you wish, any place – anywhere.**

[INSTRUMENTAL TURNAROUND PIECE]

- 1. Come stand above the whole cosmos
come hand my hand to the stars !
Play music with the fiery spheres of heaven's host
and to audience colonies on Mars.**

[REPEAT REFRAIN]

- 2. Sit by the Maker of the universe
stand next to the King of kings.
Allow your own music to intersperse
here, everyone finds their own voice and sings !**

[REPEAT REFRAIN]

- 3. Don't be afraid to spread your wings and fly
fear has no foothold here.
Just do your heart's desire, there's no such thing as "try"
and you won't need me to help you steer !**

[INSTRUMENTAL OF REFRAIN]

- 4. There'll be no end of days and no nighttime
all will know the way by insight.
Everything that we do will always be the right time
with sheer perfection shone in perfect light !**

[REPEAT REFRAIN]
