

There was magic in our joint-life...years before we ever met.
 All I do, is think of you, and baby, baby, I get all wet!
 Inspire me, girl, with this flame that,
 while I was lookin' the other way, you lit.
 I'm already too close, love, love, love -- to care if I get bit!

REFRAIN
 I love you, love you, like the world engulfed in fire!
 I keep climbin' up the flames, though I couldn't get no higher
 --there's nothin' left to aspire (to)!
 I love you, love you, like the globe raging on fire!
 When I say it, babe, I mean it...and I ain't no liar!
 I can't get no higher, there's nothing else to desire!

As the Spirit moved upon the waters, you and I were playing there.
 It was such a long time ago, I don't remember the details to share!
 But you've been callin' me, baby,
 since the bells of eternity, first rung.
 I'm already too close, love, love, love -- to care if I get stung!

(REPEAT REFRAIN)

How could we possibly merge our dreams...we're both so strong in our own ways.
 But every dream I ever had in life, was just to have you through all of my days!
 Take my whole life, it's all yours!
 Leaving nothing out to chance.
 We're already out on the floor, lady, we've begun the eternal dance!

(REPEAT REFRAIN)
 (AND INSTRUMENTAL)

We are ageless, we are timeless, and every second your love is new.
 I can't maintain, can't stand the pain, just to be a moment without you!
 What are we going to do with all this desire,
 that keeps the planets in their track?
 Baby, baby, let's get higher and higher...
 There's nothin' you and I together lack...
 I swear there's no turnin' back! I swear ther'll be no turnin' back!

(REPEAT REFRAIN)

(END)

(Eat your heart out, Bruce!)
