

1. Freedom, freedom; it's one of those elusive things.
What you're livin' for right now, determines what your future brings.
You may not wield the axe, but you can choose which way it swings...
And if it ain't worth dyin' for, it ain't worth livin' for!
2. Did you ever ask the question what the purpose of your life is?
Until you find this answer, every try ends up a miss.
But there's a secret you can trust in, and it goes something like this:
If it ain't worth dyin' for, it ain't worth livin' for!

INSTRUMENTAL

3. Life is filled with tragedy, if that's what you want to see.
And it's fertile soil for joy and greatness, if that's what you'd rather be.
But the greatest hell of all, is to be wasting there between,
'Cause if it ain't worth dyin' for, it ain't worth livin' for!

BRIDGE

Makes no difference if it's big or small, or if no one relates at all,
as long as it's your call, that's true for you.
Find something worth livin' for, so real that it's worth dyin' for;
That's the greatest thing in life that you could do.

4. Like horses led to water, that never thought to drink;
human lives waste en masse, from programmed minds that plain don't think.
So, I'll leave you with this adage, meant to bring you to the brink:
If it ain't worth dyin' for, it ain't worth livin' for!

**Find something worth dying for...
and that's the thing to live for.**
