

REFRAIN

If there were creatures among you,
 crossbred in the pits of hell;
 even if they destroyed and stung you,
 would you be able to tell?
 If they were aliens -- not one of us,
who had you under their spell --
 Would you be able to tell? ...
How would you be able to tell?

1. Observe what's going on around you,
 analyze what they do; what they say.
 For it's coded inexorably into their genes, to
 here & there give themselves away.

[REPEAT REFRAIN]

2. Oh, you must watch, and hear, and discern,
 for they won't just shapeshift in front of your eyes.
 But once you're awakened, you can start to learn
 there are ways to fathom beneath their disguise.

[REPEAT REFRAIN]

3. Take a look at our food -- that of alien pods,
 genetically altered, served up for their gods.
 Look up to our weather -- contrails lace our skies;
 they've commandeered our whole world, by their lies.

[REPEAT REFRAIN]

4. Yes, we have an enemy, domestic -- right here;
 diverting our awareness to some foreign fear.
 As these alien creatures consume us alive --
 if we don't stop them here, now, our race won't survive.

[REPEAT REFRAIN]

END

(And they're not aborting their offspring.
 They're only inducing us to abort ours...)
