

REFRAIN: Yashua died, Yashua rose
Yashua died, Yashua rose

- 1. He was born as the pure Son of Man,
with a spark and brand of divinity.
He was still fulfilling purpose and plan
when they drove spikes through his body
into a tree.**
- 2. He was so much just like you and me
with humor, zest and a longing to be free.
But powerful and wise like no other man would be
though carefully concealed in humility.**

Yashua died, Yashua rose
Yashua died, Yashua rose
Yashua died, Yashua rose

BRIDGE: More than a conqueror who lived.
More than the gift he had to give.

- 3. This one was unlike any other man
who lived to the full with no flaws.
That was the absolute requirement to qualify:
to know and never break one of
life's perfect laws.**
- 4. He was born and raised up for this purpose;
a substitute to die in our place.
With manly courage he accepted the challenge
that only the greatest man of all could embrace.**

[REPEAT REFRAIN 3X] & [REPEAT BRIDGE]

[THEN VAMP]: Yashua died, Yashua rose
Yashua died, Yashua rose
Yashua died, Yashua rose

[IN BACKGROUND BENEATH VAMP, SPOKEN]:

They smashed his body,
they spit in his face.
Butchered him with barbed whips
stripped him nude in disgrace.

But now he is risen,
our debt fully paid.
The greatest gift given,
by the sacrifice he made . . .
