

1. YHWH, I love you; and I owe it to the blood of your Son.
I come to you through Him, my Savior and my friend.
Through Him, I worship you, at your throne of mercy...
2. Yahweh, I love you; and I come to praise you at your throne of grace.
I've stumbled through this world, picked up by your precious Son;
and finally brought to worship you, true Holy One, the only one...
3. YHWH, I love you; who created me in the image of your love.
An image born of power, new life renewed in every hour;
As we wade through the world, to live in your kingdom...
4. Yahweh, I love you; and there's no greater thing I could be doing:
Than to manifest this love, even in a world of darkness,
to shine as your light, through your Savior who redeemed me...
5. YHWH, I love you; and I love your gracious Son who set me free.
My ransom sacrifice, my rock and loyal friend--
who is there until the end, He even died to save me...
6. Yahweh, I love you; and I come in the name of your Son.
I come to you with praise, I come by your grace;
I love you and honor you and worship you only...

REPEAT:

YHWH, I love you...[varied text, FADE OUT]

END
