

1. Your love will be...like the gentle snow fallin',
 a tender child callin', as heaven takes all in; and
 Your love will be...like the leaves in the autumn,
 mysteries when we sought 'em, memories when we caught 'em; and

BRIDGE Your love will be
 all of these things to me;
 May my love to you,
 be all this and more, too...

2. Your love will be...like the soft petals of flowers,
 in spring's fragrant showers, petite colored towers; and
 Your love will be...like the brook gently flowing,
 that knows where it's going, to no bank is owing; and

INSTRUMENTAL

3. Your love will be...like the power of the seas,
 the great strength of oak trees, when only might can ease and please.
 Your love will be...like eternity's whisper;
 the heights when I kissed her, the depths when I missed her; and

REPEAT BRIDGE

4. Your love will be...like the sunsets inspire,
 feelings that can't get higher, setting young hearts on fire; and...

INSTRUMENTAL, TO FADEOUT

END
