

YOUR WILL IS MY COMMAND

1. Your will is my command
as we ride this life
into the promised land.
Every step your children take
is guided by your gracious hands
Let our promise never break
to obey your commands.

2. Your will is my command
I will build life on your rock
not shifting sand.
In the choices that I make
rather than my own demands
I'll submit and not forsake
~~my~~ God's commands.
Yahweh

REFRAIN: Your will, your will
is all I ever need to do
Eternal peace is in
my willingness to serve you.

3. Your will is my command
for my Lord - in trying times
I'll take a stand.
How the trials overwhelm me
much too strong for fallen man
So I'll follow as you tell me
that it's all part of your plan.

4. Your will is my command
You're my lasting peace
and my most loyal friend.
As I give my will to you
I will faithfully trust, and
I will walk the talk I do
by faith in your command...
